

# BECOME A MYTON BEAR CUB

We hold training sessions every Monday after school

Wheelchair basketball can be played by **ANYONE!**... able bodied, those with leg injuries and of course people who use wheelchairs in their every day life.

Family and friends are more than welcome to come and give it a go and join in.

Why not come along and have a go, it's free to start up and we have all the knowledge and equipment you will need to get going. It's great for **building confidence** and **motivation**.
